

Webkinz Faculty Account Information

Send your friend requests to faculty ASAP because Lenie has to manage those accounts and it could take a day or two to accept them. Contact faculty to set up a game only after you send the request. You have to accommodate their schedules (see below). If you do not have available time when they are available, e-mail to see if an alternate time is possible.

<u>Faculty Member</u>	<u>Username</u>	<u>E-mail Address</u>
