

STRATEGIC DECISION-MAKING ANALYSIS PAPER GUIDELINES

- [1 Page] Describe the following:
 - Your goal(s) for the overall competition, weekly rounds, and individual games
 - Techniques/strategies developed to be successful (bullet list)
 - Effectiveness in terms of reaching these goals
- [2 Pages] In what ways does the competition mirror strategic decision making? Think carefully about this. Be sure to incorporate the reading for our April 9 session.
- [2 Pages] How could you operationalize (transfer) what you learned to the business realm? In other words, what are the lessons learned from this experience?

The overall paper should be no more than 5 pages
