

Thinking About Declaring a Major in Communication Sciences and Disorders?

1. Go to the CSD Web site <https://www.ohio.edu/chsp/rehab/communication-sciences> There you can find information about our school including: curriculum, faculty, research, contact information, and links to supplemental information.
2. Click on Academic Programs
 - a. Find Undergraduate Programs and click on B.S. – Communication Sciences and Disorders.
 - b. At this link you will find information on the program and the curriculum:
<https://people.ohio.edu/jeng/advising.html>
 - c. Please read this before contacting the CSD Office.
3. For more information about careers in Speech-Language Pathology and Audiology go to <https://www.asha.org/careers/> and click on this link [choosing a career in audiology or speech-language pathology](#) It also contains information about career outlooks and market trends.
4. If you have specific questions that were **not answered** by the above listed information, please send an email to: csd@ohio.edu
5. You may request a “WHAT-IF-DARS” that will show exactly how many of the courses you have already taken apply toward this major. To request this, go to <http://www.ohio.edu/registrar/darsonline.cfm>
6. Once you decide to change your major, go to this link for the College of Health Sciences and Professions Office of Student Services electronic Change of Major Form:
https://ohio.qualtrics.com/jfe/form/SV_2hF0pQT4cYprqKx
7. You must complete all paperwork within the first two weeks of the semester for the new major to take effect that semester. Otherwise, it will not change until the following semester.
8. If you are not enrolled at Ohio University go to the Admissions Web site and follow directions for applying to or transferring to Ohio University. The link is found at: <http://www.ohio.edu/admissions>.
